A woman with long, wavy blonde hair is lying on a red leather couch. She is looking towards the camera with a slight smile. Her arms are crossed over her chest, and her legs are bent. She is wearing a red headband. The background is a stone wall.

Nicole has always admitted to being a sexual animal. When asked what she wanted in a man, she said 'a big and ultra-hard cock that I can suck and fuck until it cums all over me.' Fortunately for Nicole, there are several men around that fit the bill, and her pussy.

Nicole

TEMPTRESS

What's really ironic about the whole thing is that it was Amy who told Allan that he needed to drive me home. Like, it isn't as though Amy hadn't told me about a hundred times how big Allan's cock was. And she really went on about what a great lover he was. Well, after that, what in the world did she expect?!

We weren't five blocks from Amy's house when I reached over and grabbed the front of Allan's pants. Allan got the idea real quick. He turned onto River Road so fast his tires squealed. By the time we got to the overlook, the thing I was holding through the cloth of his cargos was as hard as a two-by-four. And I swear it felt almost as big, too!

Thank god Allan doesn't drive a Volkswagen or something! The back seat of his SUV seemed as big as a room. I lay on my back, and he had no trouble getting between my legs, and when he got ready to shove that big cock into my little hole, I thought I was going to die from excitement.

It wouldn't go in at first. That's how big Allan's hard-on was. He held it and rubbed the head up and down my crack, but I was

Dear 50+ and Ms. Lisa Ann:

To the editor: I'm so glad you listened to me and ran another pictorial of Lisa Ann. I enjoyed the last one where she was so domestic, ironing her clothes, and all. But this one is super sexy in her black lingerie. Her sexy make up and hair complete the look and she is super hot. But now on to the star of the show: Ms Lisa Ann: I've been a fan of yours since your start in adult films and photos some fifteen years ago. I admit, at first I thought you might be another newbie flash in the pan, but as the years went on and you were sticking with it, I became a big fan. Now, I'm an even bigger fan as I devour every image and video of you. In the unlikely event that we ever meet, you'll know me because I'll be kneeling at your feet.

—Larry K, Tampa

too tight to take that great big hard rod right away. Feeling his hard knob rubbing my crack sent waves of heat shooting through me. I felt as though I were melting, and it just kept getting better and better!

In fact, suddenly I realized that if Allan kept rubbing me with the head of his thing like that, I was going to come. I hunched against him, moving my hips as though we were already fucking. I remember realizing that I could hear myself gasping and panting. That's how turned on I was.

"Oh, god, Allan!" I gasped, "Don't stop. Don't change! Just like that! Just like that!"

His cockhead rubbed up and down. It tingled against my pussy-lips, and every stroke that touched my clit made fire blaze through my body.

"Yes—oh, yes!" I groaned. My brain wanted to yell only three more, only three more, because I knew that that's exactly what it would take. The only problem was that I couldn't make my mouth work because it felt so good, it felt so fucking good!

I know I screamed when I came. I know it must have been so loud that Amy probably could hear us all

the way back at her house. I couldn't stop screaming, it felt so good. It was like all my muscles were cramping and burning at the same time, and it was the best, hottest, most wonderful fire I ever felt. It was a huge come, and Allan's meat wasn't even inside me yet!

"In me!" I finally gasped when the first wild storm was over. Allan held his hard cock in position and began to press. My pussy was wetter than before, from me cumming. But it was still an awfully tight fit, considering how big Allan's hard cock was and how tight I am from not having done it that much.

I was babbling like an idiot when Allan's hard meat pushed slowly into the tightness of my opening. Allan groaned, and for a second I thought it was going to be like the first time, when Andrew was so hot that he shot off before he was all the way into me. But Allan held back, and finally the whole pole, the whole great big, hard thing was inside me, and I thought I was going to die with how good it felt.

"You're so tight!" he muttered, and it was kind of like he was gasping the words. "I don't know how long I can hold it." He moved, stroking in and out of my hole, and I never felt such incredible sensations in my life. No wonder Amy babbled so much about what a great fuck Allan was!

I don't know what it was like for Allan, but the back seat was plenty comfortable

for me. While he pumped in and out of my pussy, I began to feel the waves rushing through me to the rhythm of his cock inside me, and it was incredible. Just incredible.

"I gotta stop," he gasped. "You're so tight! I gotta stop or I'm gonna blow. Sorry."

Talk about a great lover! Keeping his huge hard-on stuffed inside me, Allan reached between us and began to stroke my clit with his fingertip. I began to groan and hunch against him. The combination of having my clit touched and my pussy stretched by his big cock was more than I could bear.

I could feel my orgasm starting way deep in my stomach, like I was going to come with the whole middle of my body. I lost it, rocking and hunching and screaming, and Allan

just kept stroking my clit. His cock was so fat and hard inside me that it was more than I could believe, and more than I could stand.

"Oh, god!" I screamed, and I started to come again. Allan suddenly jerked into motion on top of me, fucking away as he lost control from the squeezing motions of my coming. Then things got even hotter. Allan grunted and went stiff on top of me. His cock twitched deep in me as he squirted his stuff into me, and I nearly blacked out from the power of the waves that blasted me. I came so hard I was afraid I would faint, and Allan kept groaning as he filled me with his stuff.

I'm sorry about that, Amy, but you should have kept your mouth shut about how great your boyfriend was in bed – or in the back seat!

Andrea, California

MAGIC MOUTH

Three different guys at the office had told me that Nora would put out, and I figured the chances were good that at least one of them wasn't lying. She was a fun date who appreciated that I wasn't a jerk and hinted that the evening would end with something special. Besides, just sitting next to her curvy little body was enough to give me a hard-on the size of Texas.

Like college kids thirty years ago, I parked at the local lover's lane, and we french-kissed for a while. After the usual negotiation, she lifted her T-shirt and unhooked her bra so I could knead her pert titties. After a suitable interval, I attempted to sneak one hand into her pants, only to be disappointed when she gripped my wrist.

"You're really horny, aren't you?" She slithered a hand down to my crotch and unzipped it. My cock was hard enough to pop. "Don't worry, I know just what to do. Lean the seat back."

Wondering what she was up to, I leaned the seat far back. My poor cock stuck up like a flagpole. To my amazement, Nora leaned over my lap and kissed the plump head. Then she wrapped her mouth around it. No mistake; she was about to give me a hot bj.

Some of my previous dates had insisted that putting a cock in your mouth was downright disgusting. I hadn't argued because, to

be honest, I'd been more interested in fucking anyway. As Nora slid her lips up and down my shaft and flicked at it with her tongue, I realized that I'd been missing out.

While her lips slowly explored the length of my cock, her tongue was busy flicking, licking, and teasing it. And when she took the entire shaft between her lips and sucked hard, her whole mouth gripped me like a tight pussy. She was in control, and she alternated techniques so I never knew quite what to expect next.

I'm sure she could have made me come right away with her skilled mouth, but whenever I threatened to come she backed off, teasing me with her tongue instead of vacuuming the shaft. She was sensitive to every twitch and in complete control. Just as I was settling back to enjoy the ride, I felt her sneak a hand into my pants and cup my balls. She squeezed my family jewels very gently. In combination with the sucking and licking this was just totally awesome. I'd never felt anything like it.

I leaned back in the driver's seat and let myself be driven wherever Nora planned to take me. She was in no hurry. It was a game to her, I realized. She was having fun by taking me as close to the edge as she could without letting me come. I wondered if she would freak if I came in her mouth. I wondered if I'd be able to stop myself if it started to happen.

Nora sucked my shaft

hard, and I knew I had no control at all. She was calling the shots.

I pride myself on trying to give a woman a good ride when I'm fucking, but I have to admit there's no way I'd have thought of dragging out a fuck the way Nora was stretching out her mouth-action. Part of it was that she wasn't distracted by her own pleasure—this was a gift from her to me. She could concentrate in a way I could only dream of with the urge to come building between my legs.

I soon got used to her rhythm: gentle licks when I started throbbing and powerful sucking when I'd calmed down. When I felt the contractions start up again, I expected more teasing. But this time she bore down, sucking hard while

rapidly fucking my shaft with her lips. She squeezed my balls repeatedly, not hard, but just enough to make me more aware than usual of their presence and sensitivity. And then I was erupting.

I came in Nora's mouth, and far from freaking out, she clamped down on my vibrating shaft and swallowed it greedily. I had to chew my hand to keep from yelling as my body throbbed, every cell trying to feed her its share of sperm. I had never felt anything so powerful, not from fucking or from jerking off. This blow-job business was something I was going to have to investigate seriously.

"Wow," I finally said when she slipped her mouth off my shrinking cock. "That was incredible. But I'd still

like to go all the way with you. I find myself wondering what that must be like if this was so good."

She laughed. "Maybe next time. But you'll have to pay for it."

"What?"

"If you want me to lick yours, you have to learn to lick mine. I'll teach you. Trust me, if word gets around that you're good at licking pussy, you'll have girls lining up to make it with you."

I thought of kneeling or lying with my head between her smooth legs, examining every millimeter of her pussy with my tongue, and felt myself getting hard again. I thought of how nice it would be to fuck after the first shattering orgasm had released my distracting tension, so that I'd be secure in the knowledge that I'd last long enough to get her off too.

"Next time?" I asked hopefully.

"Next time." And with that she picked up her shirt and I zipped up and took her home.

But we made a date for the next weekend.

It was going to be a very long week.

*A vacation is a good time to try new things . . .
especially for a woman who's had only guys . . .
but who has wondered . . .*

my vacation turned into an exploration spanish seduction

SUDDENLY I WAS IN TOUCH WITH THE LONG HIDDEN SIDE OF MYSELF

Although I've many boyfriends since college, I'd wanted to experiment more, but I never had the courage until I took a long-awaited vacation to Madrid. Something about the trip suddenly put me in touch with that long-hidden side of myself.

As I lay near the hotel's indoor pool on that first day, my eyes drifted not only to the hunky guys but also to the bikini-clad women. Then it dawned on me that I was financially and emotionally secure enough to do whatever I wanted to.

Late that same afternoon, I went sight-seeing in the Sabatini Gardens and spotted a stunning woman, with long black hair and tan, athletic-looking legs. She wore khaki shorts and a turquoise tank top that showed off her firm breasts. Ironically, as I admired her body, she was admiring a naked female statue that overlooked an enormous pool of water. I walked over nonchalantly and stood alongside her, trying to get up the nerve to practice some of my rusty Spanish. Instead, it was she who spoke to me without a trace of an accent.

"Don't you just love the Classical style?" she asked, looking around at me.

"Yes," I replied, gazing furtively at her tight ass. "Are you an art collector?"

"No, I just love female nudes," she answered as she met my eyes for the first time. Then her stare drifted to my generous breasts.

"Yes, their bodies are so lovely," I said and licked my parched lips.

She introduced herself as Dacia. We ended up talking for a long time on a stone bench behind some isolated shrubbery. Dacia told me that, like me, she was an American who had come to Spain, in her case to visit distant relatives. As the sun began to set, the air got much cooler. When I shivered a little, she placed her hand on my thigh and said, "I've got an idea I think you'll love, Tes."

"Oh?" I lifted my brows with interest.

"My cousin's bungalow is five minutes from here. She's not around. We can have the place to ourselves and take a long, hot bath together." Her face was inches away from mine. I could feel her warm, minty breath on the nape of my neck.

"I can't wait," I answered in a husky murmur, placing my hungry mouth on hers in a long, open-mouthed kiss.

Her tongue went between my teeth and toyed with my tongue. I groaned and put my arms around her, pulling her close to me. Her mouth tasted sweet as I tongued her deeply. Dacia got very turned on by my aggressiveness. Her mouth opened farther, yielding completely, then becoming suddenly assertive herself. Her tongue pushed inside my lips, and her tits pushed into mine. I could feel that her rapid heartbeat matched my own.

For the first time, I could close my eyes and surrender completely to the pleasant feeling of a woman's gentle, yet quietly powerful, handling.

Suddenly, she pulled away and rasped, "Have you been with a woman before?"

"No, but I want you to teach me." I kissed her neck and exposed shoulder hungrily. "Let's hurry!"

The place had a unique charm, as if it had been taken straight out of a romance novel set in medieval times. When we got inside, Dacia reminded me about the bath. But there was no running water, and we had to heat up water on the stove.

"So, this is your idea of amor, Dacia?" I laughed, maybe to cover my nervousness, as we lugged can after can of hot water to the old round tub and dumped it in.

We filled it up only halfway so we could have easier access to one another. As steam filled the small room, my muscles relaxed. She added an aromatic oil to the water that made the water shimmer with rainbow-like colors.

"Why don't you undress? Then I can really show you my idea of romance." She cooed.

I peeled out of my clothes with Dacia's help. Her hands shook as she undid my short-sleeved blouse and pulled down my shorts. Although I certainly didn't have a tan, my pale olive skin was the same color as the models for the statues from the Sabatini Gardens. I sensed that Dacia appreciated the artistic value of my breasts, ass, and skin when she said, "You have such a beautiful body, Tes." She also stared at my moist, ruddy pubes, smiling.

After that, I eased myself into the water. Dacia took the opportunity to strip rather slowly as if she were giving me a free show. Her bronze tan left no lines. Her firm ass and firm breasts were all the same healthy color. Her brown areolas stood ramrod straight, reacting to the faint breeze that whispered periodically through the open window.

She climbed in the other end. Her tits bobbed in

the water like small buoys, promising rescue from my intense lust. Her feet were situated on the sides of my thighs, so I took her toes in my hand and massaged them. As my calves went under her knees and settled near her luscious ass, Dacia reached out under the water and slipped her long fingers into my bush. For the first time, I could close my eyes and surrender completely to the pleasant feeling of a woman's gentle, yet quietly powerful, handling.

My fingers traced the smooth indentations between her ribs. "I want you so badly," I whispered.

"Not as much as I want you," Dacia responded, and then brought her mouth down on mine.

She took me in her arms. We locked together, mouth to mouth and body to body. Her hot, naked breasts tickling against me turned me on in a way that nothing ever

had before. Then we came up for air.

"Dacia," I couldn't help murmuring as her kisses tracked down my neck and along my left shoulder. Her hands, meanwhile, were busy stimulating other parts of my body. One massaged my right bicep and the other stroked the tresses of hair against the quaking muscle of my thigh. I ached for her fingers to close around my breast and slide into my pussy, but she was in no hurry and waited until I thrust my quivering center into her hand.

"I knew you'd like this idea." Dacia calmed me with her husky voice. Moaning, I lay back and drifted in the steamy water and the satiny tickle of her curly bush against my leg.

Impatient to gratify at least some of the desire flaring through my body, I lifted one of her inviting breasts above the water and closed my lips and teeth around it, sucking it deeply into my drooling mouth. Our hot breathing was growing increas-

I seemed to know instinctively what to do as I puckered my lips and sucked gently on her breast while finger-fucking her to the same rhythm.

ingly louder.

"You were right," I said, then let my palms caress her upper body, moving from her shoulders around to her rib cage, then back over her breasts and down again. Already I could feel her beginning to shudder with a deeper want.

At last, she bent to kiss each of my own erect nipples, then began to gently move my thighs apart and insert the tips of her index and middle fingers. Then her fingers directly addressed my desire. I arched against the pressure of her hand as she slowly slid in and out of me a few times. My own fingers dug against her shoulders as I moved to straddle her with my legs.

Then, after what seemed like endless teasing, she flicked her tongue against the silky, throbbing skin of my engorged clit with even more pressure. I lost myself in her touch and writhed. I had to bite back my cries as I pushed into her harder, desperate to get off.

"Ready?" she murmured into my pussy-lips.

"So good, so good!" I said as I pushed her head harder between my thighs.

She kept at me, pressing harder and harder into me with her entire mouth and lips. Then I erupted, feeling a potent surge of heat and pleasure race through me. I yelled and quaked, bucking against her face in total abandon. I was lost in the most acute pleasure of my life.

Gradually, I felt her release me, and she lifted her head, gasping for breath. "That was amazing," I said. Dacia laughed and said, "Pretty good for a first-timer. I guess your horniness makes up for your lack of experience."

"I bet I can make you even hotter," I said, moving my hand up her sultry thigh.

"I can't wait to find out," she rasped, lifting her butt near the surface of the water so that I could see her large, swollen clit poke out of her pussy-

lips. Slowly, exulting in the lustiness of her supple flesh surrendering to mine, I slid three of my fingers up her pussy-hole. They glided up her hot, pulsating folds, sending tingles through both of us.

She was gurgling with enjoyment as I traced the outline of her crease and then pushed back the soft lips casing her engorged clit with my thumb. I seemed to know instinctively what to do as I puck-

ered my lips and sucked gently on her breast while finger-fucking her to the same rhythm.

"Get me there!" she rasped, boiling over onto my fingers as sparks of excitement caused a blush to surface on her chest. Her pleas sounded so earnestly desperate that I lifted her ass up and lodged my knees under her so her pussy surfaced just above the water. I then dived into her bush and replaced my thumb with my mouth, boring down on her clit. Cries of pleasure jammed in her throat and her sugary juices filled my mouth as I sucked her clit. At the

peak of her excitement, I plunged two fingers into her butt-hole, meanwhile slithering those of my other hand up her pussy once again. Dacia yelled and mashed her pussy harder into my moist face.

I reacted by sucking at her clit faster and more roughly. She held onto me like she was about to drown in her own lust. I lapped up every drop she had to offer until she leaned back against the side of the tub, exhausted and gasping.

"I have to go sightseeing more often," she said with a laugh.

"Only with me, Dacia," I responded, lowering my head to her enticing thigh once again.

"Only with you," she gasped, clutching my nipples between her fingers.

We spent the rest of our time in Madrid making sightseeing and seeing each other, and we continued the vacation fun even when we went back to work in the States.

A big hello to all my fans! I've done this special photo shoot just for you. After almost one hundred adult movies, I retired from the business, but every once in a while I want to let my hair down and play around in front of the camera again. It gets my juices flowing, so I hope you like what you see.
